Cuartel Páez Military Base...Can you imagine everything you own being swept away by an avalanche of mud, being transported by rescue workers, herded off to live in a refugee camp? I went to visit one such place. It was a military base called Cuartel Páez.

**“Everyone who calls on the name of the Lord will be saved.” Acts 2:21**

---

There are 750 people living with their extended family members in tiny 12'x 12' cubicles. There is no privacy; no protection from mosquitoes. Each family is rationed one liter of bottled water per week.

Many of these children have lost one or both parents.

My heart broke as I saw with my own eyes their plight and heard from their lips, their misery. I asked the people if they would allow me to pray with them, and wiping back the tears, I cried out to God to intervene on behalf of these poor people.

I asked them to repeat after me as we prayed to God to supply their physical and spiritual needs to forgive them for their sins by trusting in Christ alone. "Everyone who calls on the name of the Lord will be saved".
