Minister to the kids and you can win the hearts of the parents... It is a great joy to see little children's moms and dads beginning to attend the church and make commitments to the Lord. To a, mother of Luis and Marisol is happy because her children are learning and growing healthier. Now Toña has accepted Christ and is attending the church and is involved in a home Bible study group.

Another success story, is that of a father who's heart has turned toward his children. David, the father of Lupita, Perla and Robi has noticed many changes. He was estranged from his family, rarely living with them. David and his wife Blanca were in constant conflict with major problems until Jesus Christ changed their lives. His children now are very happy and even their grades in school are much better. David and Blanca are now attending the Mission church with hearts full of hope for their family.

Then there is Ramon. Everyday he brings his children Raul, Nayeli, and Ariana along with his wife to the children's program. Ramon is grateful to God for the opportunity to know Him. Before Christ Ramon drank too much, beat his wife and constantly yelled and screamed at the family. Today many things are changing. Ramon was trying to quit drinking on his own, but he was

powerless to do so. With God's help, his life is now getting better. Daniela his wife says "Since my children and I are attending the program my husband is no longer drinking! He is now kind and loving and is now focusing on his children's needs." Ramon is very proud of his children because Nayeli, his daughter is advancing in her education and Adrian and Raul are learning more and more. Ramon is very happy with the good things that are happening in his children's lives.

The message is this: "Sponsor A Child" and change a FAMILY'S DESTINY! Let's reach out to other poor communities and change lives for Christ's sake. The Lord is moving; Carol and I will do our part... but we need your participation, sponsoring one or more children, or making a contribution to "where needed most" as God leads. Kingdom investments yield eternal dividends. Let's do it together.

Together We are Life Savers!
