They didn't want to leave...

We were blessed to host a group of 19 from Camp Sunshine headed up by David Black and Jeff Keiser, for five days at our ministry base in Mezcales. It was a power packed out reach to the community with a message of faith and fun.

They played games and told Bible Stories, did skits and crafts. They ministered throughout the community including the local elementary school. They also reached out with a relief project, replacing a dirt kitchen floor with a concrete floor in the home of one of our families in the community.

We wrapped it all up with a special event for parents to come and experience their children ministering in song and dance. The parents beamed as photos of their children were projected on the wall. Jeff gave out a gift for each Mom and talked about God's love for them and for their children. We served cake and coffee and talked with all the families. We also had a surprise visit from a distinguished politician running for re-election. Dr. Cuevas put on a Camp Sunshine Teeshirt and pledged his support to help improve the lives of the children in our community. We thank God for your prayers for favor with local government. God answers prayer!!

As the "Camp Sonshiners" were preparing to leave on their last day, their hearts were full of love and their eyes were full of tears. God has done a work in their lives and in the lives of the families in this dusty little community.

Together We are LifeSavers!
