One of our brightest kids lives in deplorable conditions. Eight year old Emilliano and his five year old brother Eliu live in “CarboardLandia”. This family of four suffers great need and I carry them on my heart. Their home is a black plastic tent. There are stretches of time when they do not attend the center because they do not have bus fare, or because their mom has gotten a menial job working 6 ten hour days making tortillas by hand for one dollar an hour. Emilliano is very smart and very sensitive. Sometimes he will not eat because he is worried when his dad is unable to find work. When I haven’t seen them in a while, I go and pay a visit. Recently, I stopped by and Emilliano was very sick and having trouble breathing. I prayed for him, and I took him to the doctor.

One Friday, I felt really burdened for their lack of proper shelter so I paid a visit. I saw a small number of concrete block piled up beside their hovel. I asked Omar, Emiliano’s father, what he planned to do with those few block. He told me that he wanted to build a tiny room to provide shelter for his family against the cold north wind at night. I told him that I would like to help them, but I warned them, “Do not put your trust in a man because the Bible says that cursed are those who trust in man. Put your faith in God. He can meet your needs. Don’t look to me or any man, trust in the Lord and He will help you build your house.” I took them to the hardware store and negotiated. We got a discount on 2 bags of mortar, 5 bags of concrete, a little gravel, some sand and a couple pieces of rebar. It wasn’t much but it was a start!

Let’s believe God for great things for this needy family, that they can live in hope of a better tomorrow. If you would like to help by sending a donation earmarked a “home for Emilliano” we would be glad to use it for their need. Maybe your church would like to raise some funds and send them along with a construction team. Thank you for making this work possible.
