Raul was dressed in his white embroidered native attire. I began speaking to him in Spanish though Huichol is his native tongue. He shared with me about his childhood and tears filled his eyes and he began to sob with a broken heart. He struggled to tell me that his father abandoned him at a very early age and that it hurt him deeply. His mother went from man to man living briefly with each one bearing children then moving on to the next. As a toddler and as a small boy he was given his food and told to sit on the ground away from the family and eat his food alone. He lived with a feeling of abandonment and isolation. I told him about God the Heavenly Father and how much he loves him as I quoted John 3:16 in Spanish. He responded that the words were very beautiful but that he believed in the animals. I asked him if I could pray for him and Raul said yes. I prayed for his broken heart and asked God to someday open the eyes of his heart to receive Jesus Christ into his life.

Pastor Pedro and other members of our Vida Internacional team are reaching out to the Huichol migratory workers who travel down from the mountains on foot and camp 4 to 5 months to harvest crops for the Mexican farmers. The pattern of life for many is to work in the fields, get drunk, sleep it off and the cycle repeats. In contrast, the Huichol Christians are living a much happier and more stable life. We prepared a meal for them and brought them clothes, shoes, toys, blankets and Bibles. Many listened intently as I told them stories of other tribes I ministered to in Central and South America. I shared with them the Good News that Jesus was preparing a place for them in the Father's House and that Jesus was coming Back. Pray that God would continue to open hearts and open doors as we minister to the poor and down trodden. Together we are making a difference!

Together we are Life Savers,

*Lee & Carol*
