# The Lord Watches Over the Widows

I am so thankful for the watchful eye of God who loves each of us with such tenderness and care. He knows our struggles and our needs. His eye is especially attentive to those who suffer and are in dire circumstances. He sees those who are weak, victimized and poor. You do not have to look very far to find hurting people. The scripture says:

*THE LORD WATCHES OVER THE FOREIGNER AND SUSTAINS THE FATHERLESS AND THE WIDOW... PSALM 146:9*

It is so easy to be consumed with being busy, getting things done, the “big picture” and multiple projects to help many different people, ...And yet God’s heart still aches for the disenfranchised. I stopped by to visit two elderly widows. All they had to eat was squash soup and tortillas. The elder lost her husband and a son last year and the other was recuperating from brain cancer. They invited me to share their humble meal. Andrea gave up her plastic chair with the broken off back and cracked seat panels. After our time of sweet fellowship and prayer, we were able to meet some financial needs, gave them some rice and beans, various household goods which were recently donated to our center including two quality hardwood chairs. We also gave her enough supply to help her widowed daughter in-law who lost her 39 year old husband to diabetes.

Next I visited their elderly neighbor who was abandoned by her husband. We also blessed her with beans and rice and some plastic containers and prayed for the LORD to come into her life and to watch over her. Last but not least, we were able to bless a noble middle aged widow who lost her husband many years ago in a house fire. Her face lit up as we gave her a healthy helping of beans and rice. She commented how it is so hard to get by and then she pronounced a blessing over me and our ministry asking God to continue to bless us so that we could continue to bless others. Yes it is the LORD who watches over the foreigner, the fatherless and the widow! Thank you for your prayers and blessing this ministry so that we can be a blessing!

Together we are touching lives,

*Lee & Carol*
