It all happened so fast! We had just finished having a wonderful baby dedication & reception celebration with delicious chicken mole served on tostados. I was honored to present baby Enoch to our congregation in Cardboard-Landia. His mother Rosa is one of our faithful volunteers from our community center in Mezcales and she and her family attend the Cardboard-Landia church that is housed in the Community Center we built there. Everyone was leaving as I sat down to talk to a couple of ladies who lagged behind. One of them by the name of Lupita asked me if I would baptize her. I said, yes! let's do it today. She smiled and repeated, yes, let's do it today. I asked Pastor Pepe and his knees buckled; he'd never done an "unplanned baptism" before. I encouraged him and assured him it would be great.

We told the few folks still remaining who were chatting outside the door and they decided to join us. I rushed home to prepare a baptismal message and at 3:30 p.m. it was time to go. We arrived at the public beach, and met in a shaded spot as I shared from God's word about why we are baptized to a group of about 20 folks. I enjoyed sharing my experiences of baptizing many young people during the Jesus Movement Days when God used me to lead many to the Lord and to be baptized.

Lupita was not the only candidate to be baptized; there was also Liliana and her daughter Sofia, Gris and her father Luis and last but not least Gris's husband to be Pedro. It was sweet and very meaningful for all.

Lupita was especially moved because the night before she had a spiritual dream involving a beautiful water baptism experience! She shared her dream with Pastor Pepe and me and as she did she broke out in goose bumps and strongly felt the Lord's presence. I feel privileged to play a part in laying the foundation for the church in Cardboard Landia.
