HEALING HEARTS**

When seven year old Carlos smiled, all you saw were his rotted out 4 front upper teeth. Now he has a lovely radiant big white smile and no more cavities! 312 marginal men, women and children received FREE MEDICAL and DENTAL CARE. The first two days of the Family Medi-cal Clinic Campaign headed up by Pastor Brandon Chase from North Carolina was held in Magisterio at the former City dump in Puerto Val-larta; at the church where we began a feeding and literacy program back in 2006. The second half of this 4 day Medical Outreach was held at our VIDA Church/Community Center in Cardboard Landia in San Vicente. You could feel the joy. These poor people were so happy and grateful because their basic needs were being met. Not only were they receiving FREE MEDICAL and DENTAL CARE but most im-portantly, they were receiving care for their souls.

There were intercessors praying individually over every person. They prayed with many to receive salvation. This Outreach not only focused on providing healing for their bodies but also for their souls. The medi-cal professionals consisted of two nurses from the states, 3 Mexican Dentists and a Mexican Medical Doctor. The House of Worship team came down from North Carolina and are now planning to do a Medical outreach on a yearly basis. To top it off, the Medical Doctor, Dr. Ger-man Olvera and the Dentist, Dr. Erika Cardenas are both local congre-gants in our VIDA Churches. They want to provide ongoing medical care one day a month working out of our VIDA CENTER in Cardboard Landia. "Heal me, O Lord, and I shall be healed; save me, and I shall be saved..." Jeremiah 17:14 God is doing great things through your prayers and gifts as we partner together to minister to the poor.
