Graduating in La Concha!!

Jesus insisted to allow the children to come to Him for theirs is the kingdom. He also commanded us to make disciples. It became crystal clear to me that in order to be about the Father's business we must include in a major thrust of our ministry the raising up of Young'uns to follow Jesus. When we returned to Mexico in 2006 this became a major concern of mine as we began to make ministry shifts in the direction of discipling children. Later on, we got involved with the Samaritan's Purse Christmas Shoe Box and Discipleship Program. I am personally involved in the participation and graduation of Children in four of our programs. This does not include the hundreds of children that we minister to in the Dominican Republic and Haiti who are being fed literally in Body, Soul and Spirit; nor does this include the hundreds of children that our affiliate Vida Churches across Mexico minister to that also use the Samaritan's Purse and various other programs. We are in many ways touching the lives of thousands of children throughout the calendar year.

We are grateful to all who pray and give to make this possible.
