Dear Friends,

Week to week, I never know who or what I will find in the local prison. Men and women are locked up for sexual crimes, murder, narcotics, theft, fraud,...you name it, someone in there is being charged with it. Not only are there men and women, but I've seen children and even animals.

The shocker for me was meeting an 11 year old boy locked up for three days with murderers and prostitutes. What was his crime? He stole a bicycle. We told him that Jesus loves him. We prayed with him to be released and that Jesus would change his life.

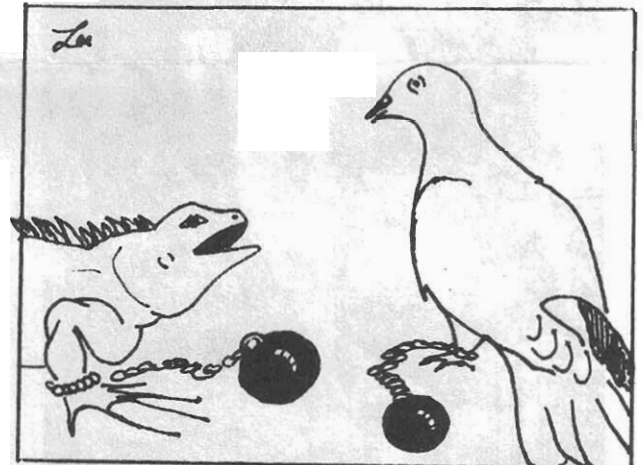

Another boy behind bars, 12 years of age, wasn't there for committing a crime, but to share the love of Jesus. Joshua, my son, has gone with me on several occasions and ministered beside me, helping lead worship and sharing a few words from his heart

The animals that I have seen there haven't committed any crimes either. They are pets of the prisoners. A two foot long green iguana (lizard) and a pigeon with clipped wings share quarters there. I guess the old sayings "misery loves company" or "hanging on by a wing and a prayer," could describe these pets' plight.

BETA MACHINE

Do you have one of those out-of-date Beta (VCR) machines lying around your house collecting dust? We can put that machine to good use, spreading the Gospel in Latin America. We can use those VHS players and old tapes too. Contact us at our address below.

PRAYER REQUESTS

1. A school teacher for our children.
2. The mind of Christ as we continue to develop the Video Bible School.
3. The Lord's guidance as we are looking at relocating (His timing and location) to better work with the Video Bible School. We are currently living in a remote area.
