Dear Friends,

In these last days, God is moving, leading and networking us! While attending the annual Globe Missionary Evangelism conference in Pensacola, Florida, the Lord was opening doors. One of those doors is a man by the name of Stanley Black, Costa Rican by birth. He is a well known and respected evangelist throughout Latin America who is interested in helping us by introducing our Video Bible Institute materials to key leaders throughout Central and South America.

Evangelist Black told me I must contact Pastor Victor Ojeda in Humble, Texas and share with him the vision of Vida International (Video Bible Schools). I did just that. Pastor Victor, a U.S. Customs officer and Pastor was elated and is sending Hispanic volunteers to us to donate their time. Pastor Ojeda said that 5 years ago, God spoke to him to begin holding Bible training seminars throughout the Americas and they have been doing so. It was five years ago that God birthed our vision for VIDA. (Coincidence?).

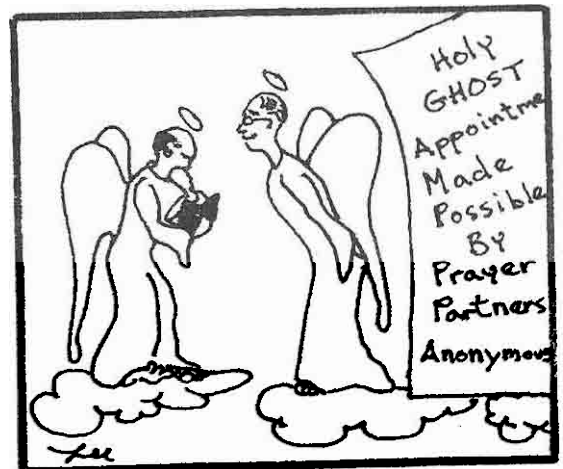

May 1st I had the joyful experience of ministering in Georgetown, DE, at a Hispanic church called Vida Abundante. (Abundant Life) They have a vision to begin Bible Institutes in several locations and they're prayerfully considering using our materials. Pastor Alfredo Salinas commented to me that "We (Spanish Pastors) really need help to train up leadership".

SHORT STUFF

Lee's to meet an Evangelist, Congressman to be, 2 Hispanic pastors. He's to witness to an M.D., long hair businessman, a CEO & a partridge in a pear tree.

He continued on to tell me that 50 % of those attending his services are not even saved and the other 50% for the most part are new converts!

PRAYER AND POLITICS

On May 5th the national day of prayer, I was in Washington, D.C. That morning, I was in a 2 1/2 hour prayer meeting with "Sound the Trumpet Ministries". As I introduced myself around the gathering of intercessors, I commented that I was from Houston, TX. A gentleman said, "Isn't that interesting". His name is Steve Stockman, Christian Congressional candidate from the Houston area. We shared lunch together and I believe it is God's way of guiding our steps and knitting us into the fabric of His eternal purposes.

PRAYER REQUESTS

1. Dennis Krouse is now working with us. Pray in the Lord's creative supply for his family's financial support.
2. Pray for the creation and dispersion of the new teaching materials, for annointed Bible teachers and our team for producing and distribution.
3. Pray for health and protection. Carol's shoulder and pinched nerve is much better

We appreciate you !!!

In His Service,

*Lee, Carol, Josh,
