Lima, Peru, The thing that thrills me most about our work in Latin America is not the ministry of preaching, teaching & evangelism. It is not even the exciting ways that the Lord opens doors for us, or all the times that He dramatically delivered us from danger. Though I thank God for all this, my passion is to see lives transformed.

"...Let God transform you into a new person by changing the way you think..."
Romans 12:2 NLT

By transformed, I mean that the individual's character and thought life is forged into that of a child of God. They begin to think and act like Christ. The Bible calls this discipleship. I believe the most important work we are doing is providing churches with the tools to train believers. Transformation is a process that takes time and discipline. I guess that's why it is called discipleship.

Talk about transformation, Joshua has completed boot camp and is now among the few, the proud, the Marines.

He strives to live by the Marine Corps code which is based upon 5 virtues, honor, courage, commitment, morality, and integrity. Josh will begin a 17 day weapons training at Camp Pendleton, Ca. Then, it's off to Camp LeJeune, NC, for paralegal training. We are impressed.

How can you and I together influence the nations for Jesus Christ? One person at a time! Every Video Bible Course that is placed into the hands of a national pastor has the potential of impacting the lives of many individuals and often several congregations, as these tapes are duplicated and shared with others. Together we touch the world!

In His Service,

Lee & Carol
