I woke up and realized that people are scared and they have great needs. It's moments like these when God's people are to take action. We must run to help and not to hide. The Swine flu epidemic quickly spread into a worldwide panic. Several died in Mexico City including the young and strong, due to the city's toxic air and high elevation. The Mexican government began a five day shut down to enforce mandatory isolation of it's citizens from all public assembly, employment and non essential public service. The economic crisis prior to the flu outbreak has caused high unemployment and people were already living on the edge and simply not making it. But God!... He knows and has compassion on the lost and needy. The LORD uses hard times to soften harden hearts and demonstrate His loving-kindness.

We have been praying for God's Spirit to use us to reach those who do not know Him. One week before the outbreak, Carol and I were handing out clothing in our community. The people expressed gratitude and one lady said that she prays for God to pour out His blessings on us so that we will continue to help others. Because of you who have responded to our email alert "Call to Action" we were able to help 60 families with staples and groceries with the first funds we received online . We will continue to help more as we receive the funds ear marked "relief".

Besides food we want to help with medical needs as we are able. Julia, is a 76 year old woman who has been hospitalized for seven days. Her daughter came to me and said her mom had pneumonia complicated by sugar

diabetes. "My mom needs medication, can you please help?" She asked. I know this elderly woman and her families dilemma. We praise the Lord that we received an offering to cover the cost. Your gifts and prayers make a difference.

Together We are Life Savers,

Ju & Carol

Say a prayer:

1. Electric service at the ministry base. (Move bureaucratic obstacles)
2. Building funds! We are currently working in the children's area, and on our upstairs apartment.
3. Pray for Vida Internacional, our Video Bible School. We want to offer the audio of our courses through I-tunes, and the full video file in MP4 format. We need funds to reproduce it in these formats.
4. Pray for God's protection, health, favor and provision for us and our family.
5. Start up costs to build out the kitchen with stove and necessary utensils to serve hot meals for the feeding and after school program in Mezcales.
