Every Spring Break we host Camp Sonshine International from Washington D.C. in the Dominican Republic. They minister to the children of our community in Oviedo. The team members vary from year to year but the results always remain the same! The kids are infused with the love of God and grow in their faith all while having tons fun. We get crazy singing and hopping to choreographed dance moves to positive and passionate Contemporary Christian music. The music is cranked way up, and bounces with rhythm as the kids are having a party. The children do arts and crafts, coloring, play competitive games, participate in dramas and discuss the Biblical principle portrayed through theater. I personally help out by doing the stuff to facilitate the team so they can do their thing. I also monitor the children's behavior and help out where needed.

One morning while the kids were waiting for our program to begin I took the opportunity to ask them 'Why should I let you into God's Heaven?' They gave the typical answers; "because God is good". I said even the devil knows that. They responded, "Because I am good". I answered, "Jesus said no one is good but God". Another said, "Because I do good things to help others". I said, "No one goes to heaven by doing good works". It's all about what Jesus has done for us. We must ask him into our hearts and to forgive us & then allow him to live in us. It was a teaching opportunity! Another morning while the CHILDREN were waiting at the gate for the program to begin one little guy asked me to tell them the word of God. I quoted John 1:1 & John 3:16-18. His eyes just shone as he intensely listened to the scripture!!!

We were averaging upwards to around 250 kids in both the morning and afternoon attendance in each session. We EXPERIENCED THE WARMTH OF HUNDREDS OF BEAUTIFUL HAPPY CHILDREN! *(continued on back)*

Rising Faith**

I want to thank Pastor David and Carmen Black and all Camp Sunshine participants who have come to the Dominican Republic over the last four years to spread the love of God by allowing Kid's to just be kids and have tons of fun while growing a budding faith.

I also want to thank all of you our co-laborers who support this ministry through your faithful prayers and financial support that makes it possible for us to feed these children body, soul and spirit and for helping us to build these buildings and supply these Children's Centers / Churches. Blessings to all.
