Thelma in Cartonlandia passing out food

The week our world changed when our nation shut down due to the corona virus, my son Joshua passed away. We were going through a personal crisis as the world was experiencing an ongoing catastrophic event, fighting the invisible enemy, Covid-19. Even though my focus was on my family, our ministry in Mexico and the Dominican Republic immediately took charge and rose to the occasion for the love of God and the furtherance of Christ's kingdom.

Our Vida Pastors began to hold services and minister through social media. Pastor Pedro in the Dominican Republic in addition to ministering to the spiritual needs of his community, began broadcasting public service announcements educating and encouraging people on how to deal with this new challenge. He utilized the funds we sent to give out care packages in his community. Pastor Oscar of Guadalajara, along with his adult children, ministered to the drug addicts locked in the re-habilitation facility.

Pastor Juan Barrera bought supplies and went around to the needy in the Puerto Vallarta area praying for them, meeting the people's spiritual needs as he passed out the care packages of food and staples that we had helped him to purchase. Pastor Salvador of Puerto Vallarta began ministering to the basic needs of his congregation with groceries also.

In our children's center in Mezcales, one of our mothers and Thelma who administrates our program there sacrificially purchased supplies and began helping different families each week. We followed up in helping her buy more food to continue helping. We sent funds to our Vida center in Carton-Landia, to help those who were already in great need before this pandemic hit the

world. It makes me very happy to see our Vida pastors and Leader's faith in action and their love for their fellow man at this time. God is providing a table for people in great need.

Thank you for helping make this possible through your prayers and support for this ministry. As we navigate uncertain time together we remain faithful to you and to the ministry. We love and bless you all.

Together we Touch the World!

P.S. Please help us with the continued funding to buy beans and rice and other staples for families struggling with the impact of COVID-19 in Mexico, the Dominican Republic and Haiti. Thank you!
