

Pray for us, that the Word of the Lord
may have free course in Mexico.

November 1988

Dear Friends,

We parked the car where the road ended in Tabachines. Tino and I, and our families, ventured up the rutted hillside. Tino sang and preached under the anointing in the morning service. At the altar we saw God do many things. A girl who had been in an auto accident received instant healing in her neck; others prayed the sinners' prayer. As we moved in personal prophecy over the people, the pastor was thrilled, and confirmed the accuracy of the words.

OTHER TONGUES?

In the evening service, Carol sang in Spanish the only song she knew. The people were blessed, and in a few minutes the pastor asked her to sing it again. I also ministered in Spanish briefly, by giving a word of exhortation (but no one asked me to give it a second time).

THRASHING ABOUT

I then preached in English, with Tino interpreting on the 'Kingdom of God'. While I was quoting the words of Jesus: "But if I drive out demons by the Spirit of God, then the Kingdom of God is come upon you." - a young woman began to thrash about. At the invitation that followed, many people came forward. While Tino and I were ministering salvation, personal prophecy and the Baptism in the Holy Spirit, the pastor asked us to minister to this young woman.

As we laid hands on her to pray, the spirits again manifested themselves. She was delivered, and Jesus was magnified in the eyes of the people. Men and women of all ages received Christ that night.

BACK FOR "SECONDS"

We were invited back the following Sunday morning. I was impressed by the Lord to give an altar call for salvation before the preaching. Many people acknowledged that they were not saved, but two young men boldly came forward to profess Christ. I preached on the ministry of the believer, majoring on the signs and wonders that follow those that believe. As ministry took place at the altar, we encouraged the believers to pray for those who had need. This newsletter is not long enough to share all that God did!

P.T.L.

--Our trip to the border to renew our 6-month visas was smoother than the first time into the country...

--We pulled into our driveway and discovered a flat tire - PTL, we were safe and everything was fine...

--The vehicle payoff is now at \$2,144±

PRAYER REQUESTS

--For God's guidance in scheduling our ministry time in the United States, June 7 - July 18th of 1989...that we would minister in the churches He wants...

--For our health (we are staying healthier!)

--For our safety (confusion on the roads is a national trait)

That's all for now! We love you and thank God for you.

Love in Christ,
