Dear Friends,

The Video Bible School, "VIDA", is on it's way to the capital city of Managua, Nicaragua. Former missionaries to Central America, Kirk and Mary Ann Christophel will act as our liason to the Mennonite Church in Nicaragua. They are presently pastoring Faith Fellowship of Crumpton, Maryland. Our hats are off to this tiny congregation because in addition to being monthly supporters of this ministry they are also sponsering a Video Bible School course for churches in Nicaragua.

Kirk and Mary Ann ministered to the poor in rural villages in Honduras and Nicaragua from 1976 to 1982. Kirk was involved in pastoring and in community developement through literacy programs, agricultural projects and health related developement. Mary Ann was a nurse and taught health care and prevention. They married during a brief hiatus in the States in 1979, and returned to Nicaragua as a couple and ministered until 1982.

Via Kirk's example and witness, a teenager by the name of Marcos Orozco recieved Christ as his Lord. Marcos is now a respected pastor and leader in the Mennonite church conference. He also serves as the coordinator for the Mennonite relief agency. He will carry the Videos and manuals back to Nicaragua after visiting Faith Fellowship this year.

In reference to the Video Bible School concept, Kirk says, " The Mennonite Church is encouraging extension courses and seminars in the local rural churches

## SHORT STUFF

Lee Do You Remember The  
Prophecy About A Breakthrough  
Followed By A Time Of Rest?

because when students from poor and humble backgrounds go to the big cities to be trained, in most cases (they) don't return home".

Pray that "VIDA" will be mightily used to strengthen the faith of our Nicaraguan brothers. Ask the Lord what contacts you and your church have in Latin America and consider sponsoring a Video Bible School. Let's do what Jesus said, "Make disciples of all Men." Write us or call us and we will tell you how.

"BREAK A LEG"

"Mom, There's someone on the phone and they're speaking English!" I was out on the grounds of the ministry center working when Amy called out from the house. I began to run because I thought it was long-distance from the States. I rounded the corner on the cobblestone walk when I slipped and fell sideways. As I went down, I heard a pop and felt a sharp pain in my leg above the ankle that took my breath away. The doctor sent me 3 towns away and 2 hours later she told me that my leg was broken, and put me in a cast. If all goes well, the cast will be removed in mid November. Please pray for my healing.

PRAYER REQUESTS

1. Pray for the sale of the ministry center so the we will have funds to produce more courses.
2. Pray for our health and safety as we are living and working in Mexico.
3. Pray for a vehicle for the family. It is very difficult for Carol to drive the huge Maxi van on these narrow streets. We are praying for a white Caravan with V-6 engine
