WHAT YOU ARE ABOUT TO READ IS SO SENSITIVE THAT WE CANNOT DISCLOSE ANY NAMES OR LOCATIONS.

This month a fellow missionary from Texas (not me) was arrested by Cuban secret police. They busted into the home where the American Missionary was meeting with a group of Cuban pastors and evangelists. The police broke up the meeting, grabbed the missionary, threw him into a vehicle and drove off. His passport, plane ticket and wallet were seized. He suffered a 3 1/2 hour interrogation. He was then deported and threatened never to return again to Cuba! How did all this develop?

Last March, the Cuban pastor on the outside cover of our newsletter was placed under house arrest for 2 weeks, and currently lives under 24 hour a day surveillance. He is not allowed to travel anywhere without notifying officials where he is going

and for what purpose. The little freedom he has known is now taken from him until his trial. He could possibly be sentenced to hard labor. All his personal property including two automobiles have been impounded along with the church's property until the communist state determines his fate.

We believe the police followed this pastor to the meeting. The Cuban government feels threatened by him because he is making a major impact in the province in which he ministers. The Lord has raised him up to oversee 23 mission churches.

The Holy Spirit Falls during Saturday morning prayer and fasting meeting. Lee preached and then ministered to the people. One man who received a powerful touch from God prophesied over me that my work is not only here in Cuba but the Lord was also calling me to minister to multitudes in Africa!

This church planting effort began 13 years ago after their small denominational church exploded under the outpouring of the Holy Spirit. We have given this persecuted pastor teaching videos to aid him in training his mission pastors. Thank You for your part so that together we can aid our Cuban brothers in their time of need. Our Cuban pastor thanks you also, " **I think the material you brought me is good, at this time we have no other way to begin our Bible Institute**".
