At this very moment, while you are reading this newsletter, I am in the jungle at the headwaters of the great Amazon river. Several months ago, Pastor Herbert Jimenez, who represents our video Bible school ministry in Peru ventured into this region and gave several of our video courses to a Peruvian Apostle by the name of Jaime Garcia. This man of God founded 42 churches in the Amazon Jungle! I will be ministering in several churches in the towns surrounding Tarapoto. Please keep me in your prayers as the communist terrorists known as the Shining Path are still active in these remote areas. Below is a letter I received from this mighty man of God, Pastor Garcia.

Appreciated Brother in Christ,

It is marvelous to greet you and to declare to you the rich blessings in the love of our Lord Jesus Christ. We are grateful to you for this enormous contribution that is so important to the training of our workers. At this time, we number 42 churches all along the Amazon region of Peru. These videos are being used in the preparation of leaders in these churches. We will be communicating with you from time to time to let you know the impact of these valuable teaching videos.

Receive the many greetings from all the brothers of the church and together with them, a brotherly hug from your brother in Christ.

Pastor Jaime Gomez Garcia

I just want to say to those of you who are contributing to this missionary effort, this letter from Pastor Garcia was also addressed to you. Your gifts are doing great things for the kingdom of God in some of the most remote places in the world. I thank God for the nationals who are working with us and for each of you state-side. Your prayers and gifts are making this possible. Together we touch the World!

In His Service,

Joe & Carol
