Pastor William Portillo being installed as our representative in El Salvador

“Violence runs rampant in the streets of San Salvador! It is the most dangerous City in Central America !”, said El Salvadoran Pastor William Portillo. His description was of a city full of violence and vices hanging on the brink of self destruction, with armed robbery, drug addiction, gang violence, prostitution, and the common practice of kidnappings. Kidnap victims are held for ransom by Guerillas and gangs to raise the cash that fuels their lust for weapons to carry out their treachery. The night before we ministered at a church, one of their members, a lady & mother of small children by the name of Amalia was just kidnapped. Please pray for her safety and release!

Is there any hope for the city of San Salvador, it's people and especially for it's children? Did you know that according to Operation World (a mission prayer almanac) there are only 12 Bible schools and 3 seminaries in this nation? They desperately need materials to train Christian leaders. I believe that is obvious! With that in mind, what can be done? Better yet, what are you and I doing about it? I've got some encouraging news to share with you.

Lee presenting Vida to Shalom Christian School

We began by praying that God would lead us to a man that would represent our video Bible Institute (Vida Internacional) through out the country of El Salvador and help us to plant more schools. God led us to Pastor William Portillo founder of three different churches which are strategically located in different parts of that nation. He is a highly visible and respected man of God who hosts weekly radio and TV programs. He is a man with a passion to make disciples for Jesus Christ, in fact he starts them out at an early age. His church in Soyapango has a Christian School with 175 students and those students from 7th grade on up will be receiving their Bible training from Vida Internacional!

There is hope for the children of El Salvador, and together you and I can do our part. God says, "Now, my children, listen to me, because those who follow my ways are happy. Listen to my teaching, and you will be wise, do not ignore it..." Proverbs 8:32&33 (NCV). Let's continue to help others by bringing God's word to Children of all ages. Jesus is the Word of God and the hope of this world. Your prayers and financial support are making a difference.
