Our ministry team at the municipal Dump

It is an ominous sight to see flocks of vultures circling the mountain of putrefied garbage at the municipal dump. Some circle while others perch and peck through the rubbish finding something rotten to eat. Another sight even more disturbing is to see a truck laden with refuse pull up to the dump and a pack of “tweens” jumping on the back, swarming over the “fresh pickings” even before it passes through the gate. I wonder; what does the future hold for the children of the dump?

I believe that we can make a difference in the lives of children that live on the fringes of society. I believe that Jesus Christ and the local church are the hope of the world. The “Bread of Life Kids Club” draws together these marginal children and a group of Mexican volunteers, most of whom also live at the dump. Together we help these little ones to discover moral values and Biblical truths through games, activities, crafts, worship, and just plain old fashioned fun. Prizes are given for the children’s accomplishments such as completing their memorization of Bible verses.

Together we have blessed these children and their families with groceries, school supplies, clothing and snacks. We are preparing to start a breakfast feeding program so these children can go to school and concentrate on their studies and not on their stomachs. Three things must happen first before this breakfast program can become a reality. First the roof on the church must be finished. We are back on track and have rehired the brick mason and a helper. We project the Church’s first floor roof to be finished in January, as the Lord provides the funding.

Making a difference and bringing hope, one life at a time.

Finding value in what others discard...

Next, we need the kitchen and the utensils (bowls, spoons, cups, etc.) to prepare and serve the food. Last and most important, we need sponsors for these children so that we can feed and care for them. For less than a dollar a day, \$25 a month, you can sponsor a little one. Will you step up to the plate and sponsor one or more of these children so they can have a better life? Fill out the enclosed form and drop it in the envelope, or email us today. You can also send a gift to the general fund to support this ministry.

Act today and change a life.

Carol and I are grateful for this opportunity to represent you on the field. We cannot do it without your prayers and support.

Together We Make a Difference,

Ju & Carol
