I can't believe this is happening in Oviedo! Who? What? Where? How? These questions are buzzing on social media. Oviedo is a little town nestled near the border of Haiti. It lacks many of the basic necessities, such as a bank, a supermarket, restaurants, hospital, or high school, but now the town's Facebook page, and the page of our director there are getting hits around the world from former residents who want to know about this new thing that is happening in their home town. There is excitement as people come from all around to pitch in and help in any way that they can. People pitch in with shovels, bring fruit for the workers to eat and stand on the sidelines to root on the work being done in their community. There is deep need there, both physical and spiritual. There is hunger there, spiritual and natural. We have been excited to see God move to get this project started.

In just 4 days after the footers were poured, the 40/60 metallic erector set style pavilion was assembled. It just glistens and shines on a hill. Much thanks to the Crossroad Church construction team and my 3 member forerunner foundation team. I want to thank everyone who has given of themselves in service, prayer and finances to get us started, both Dominicans and my fellow Americans. We have just begun and we need a concentrated effort of prayer and financial resources to shower down so that the necessary infrastructure is completed and hundreds of malnourished children will be fed body, soul and spirit.

Mexico, and beyond!

PRAY WITH US:

In Oviedo, our Pavillion is up, we need monthly supporters to feed 300 children. Pray that God will touch hearts to help us meet this need and more.

In Mexico, we continue to work with children in Mezcales. Pray for provision and safety as groups come down to bless this area, and as we and our team continue to minister God's love in this community.

Thank you to those who prayed for the container in the Dominican Republic. We paid the taxes, and are believing God to replace the funds we had to use for that. Thank you for helping us in our mission: Feeding Children Body, Soul & Spirit!
