“...We are so grateful for all your care and help that you provide for our kids”, my next door neighbor said, “...all of the community is appreciative for all that you do for us.” I responded to Sergio that it all comes from God and that our desire is to Glorify Him, serve Him and also to serve our fellow man. As you know, there is joy in serving. It is not always easy but by God’s grace we are now seeing much fruit and happiness in the lives of these little ones. The children have been singing the song “Open my eyes Oh Cristo, I want to see you” This worship chorus is sung right after the opening prayer. In many ways this prayer in song is being answered.

They are catching glimpses of the Savior in the love of those who prepare the hot meals. They behold our Lord in their daily Bible story and in their cross word puzzles and hand crafts. They see Christ in every smile and each kind word from the mothers volunteering and from all those that serve at the center. They even see Jesus’ reflection in their own lives when the children clean up from their activities by putting away their tables and chairs and sweeping the floor. As our time draws to an end they memorize God’s Word written on a white eraser board. Each class forms lines and each student individually repeats the theme verse from the day’s lesson. These words are helping to transform their little minds and at the same time hides Christ’s words in their hearts. Finally, we form a circle, holding hands and calling on the Father to send his holy angels to protect and watch over the children as they walk through the thick underbrush and tall grass, down muddy lanes to their rustic homes.

All of us who are serving these little ones here in Mexico and the Dominican Republic also want to give thanks to our heavenly Father and to all of you who through your generous gifts of love and prayers are making it possible for these little eyes to open and see Jesus.

Together we are Life Savers,

Lee & Carol
