Under Vida's banner we are planting churches and opening children's centers along with developing Christian leadership. We have a coalition of 8 churches and 2 Children's Centers in Mexico in the Puerto Vallarta area, in Guadalajara, Mexico City and Cancun. In the Dominican Republic we have a mother church and several Children's Missions meeting under trees and in various temporary locations. When you cross the border into Haiti we have a Vida mission where the church and a children's feeding program are meeting in a palm hut on property which we purchased.

Pastor Paul Moffett of Seattle Washington arrived on a Wednesday afternoon and that evening we held a multi-church service with 4 of our Vida churches represented at our mother church in Pitillal pastored by Juan & Rosy Barrera. Thursday afternoon we ministered to the Children at our center in Mezcales and that evening we held a joint church meeting and community outreach with our 2 churches in Ixtapa with Pastors Javier & Eduardo. Friday evening we held a Children's Crusade in Cardboard-Landia & on Saturday morning we continued to minister to the children of Cardboard-Landia at our Church/Center. Then, we hopped on a plane to Mexico City and on Sunday morning we ministered at our Vida Church's one year anniversary. At 1 in the morning we boarded a flight to the Dominican Republic where we ministered in the Public Schools, had a youth Rally with a 150 students, ministered in various children's programs and had a special church service for teachers from 4 different schools. After that, we crossed into Haiti and worshipped in our Vida Mission. That experience brought tears to Pastor Paul's eyes as the revelation hit him that all peoples from every Nation and every tongue will worship the King of kings and Lord of lords.

"Have any other pastors seen the breadth of ministry that is going on under your organization?", Pastor Paul asked me. I replied, "You are the first, no other pastor has ministered with me in this many locations all at one time." We traveled together across Mexico, the Dominican Republic & Haiti and he caught a glimpse on a 10 day ministry tour of what God is doing through LSMI/VIDA INTERNATIONAL." Your gifts and prayers are changing lives. We will never fully understand this side of heaven all that the LORD has done, is doing and will be doing through our partnerships together!!! (over)

Carol and I thank God for each and every one of you who through your prayers and financial support make it possible for us to continue our work. **Please prayerfully consider a year end tax deductible contribution so that we can continue this wonderful journey of ministry together.**

Praise Report: We have purchased the property in Pedernales!

Prayer Request: It is time to build on our two properties on both sides of the border in Haiti and in the Dominican Republic. We need construction teams to come down who purchase the building materials and designated building funds!
