Yolanda was heavy with child. She was on the verge of giving birth at any moment to her second daughter. She and her husband Alberto are Pastoring in a remote coastal community that does not have any hospital service nearby. Yolanda and her family asked if they could stay at the Community Center here in Mezcales because they could not afford to stay at a hotel while waiting for the baby. I sent word that we had them covered and that she along with her mother and husband were welcome. Yolanda gave birth to a healthy 8 lb. baby girl named Daniela Alejandra at 11pm, Sunday July 2nd, 2023.

Sunday September 10th on the West Coast of MEXICO I preached in the church of Yolanda and Pastor Alberto. This dear Pastor was incarcerated in California at age 16 for 27 years for a gang related murder. There, while isolated in maximum security, he accepted Christ, and was completely and radically transformed. He asked a guard, "Hey can you bring me a Bible, please? I got on my knees, and I started unloading years of burdens that had been in my heart. A peace came over me as if tons of bricks were removed from my shoulders and I just gave my life to Christ. That eventually led me to decide to leave the gang. I had to be moved to another prison for my own protection." Upon arriving at that place, he met other Christians who were growing in their faith. Alberto enrolled in a Bible Institute and became grounded in God's word. He was sent back to Mexico for good behavior. He now pastors & teaches

in an online Bible Institute based in the USA. Today Pastor Alberto and Yolanda feel called to open a Vida Community Center and Church in their hometown and serve alongside of our ministry. Please pray for them and pray that God supplies the \$50K dollars that we need to purchase the land and start the process to make this dream come true; a place where people can come and be "Born and Born-Again". Thank You for partnering with us to transform lives.

P.S. We already have the material to put up a pavilion.
