Dear Friends,

The greatest news event of this decade will probably be that the walls in Eastern Europe have come down. It could be that in the light of eternity, though, an even greater event may be recorded about walls that are going up! To the natural eye, the work going on at the rear of our property looks like just another construction site, but with the eyes of the Spirit, one can see the literal thousands of lives that will be eternally changed. Pastors, Bible teachers, evangelists, prophets, and apostles will have their foundations laid not to mention the training of Christian workers to do the work of the ministry. The walls are going up!

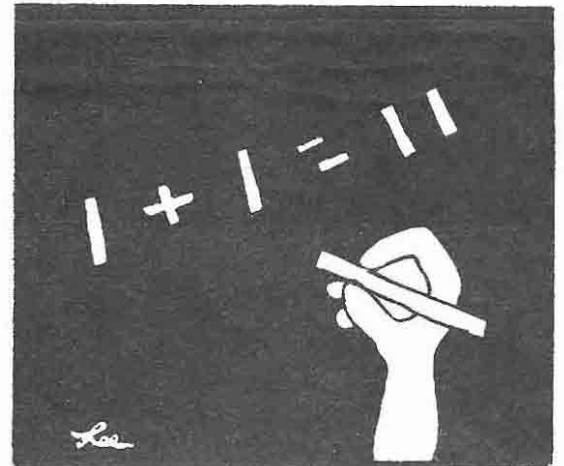

Building the wall on the video studio.

We'd like to make a correction on a misprint in the July newsletter. It said that the construction of the studio and facilities will be \$8,000. That should have read \$18,000. We still need to raise approximately \$12,000 to complete construction.

STILL BELIEVING

September 4th, the children started their new school year. Carol is home schooling them. We are still believing God for a teacher for this school year. That will free Carol up to do more of the office work for the ministry. Carol says she enjoys teaching the children. The other day, she was going over addition with the girls. They were answering correctly but when Sarah was asked how much $1+1$ was, she replied pridefully, "11".

SHORT STUFF

OH... I KNOW THAT ONE TWO !!!

Lee & Carol Short

IT'S NOT A.T. & T.

We have been trying for three months to buy a telephone line at a reasonable price. One gentleman wanted \$4,000.00 for his telephone number. I politely excused myself. Thank the Lord, we purchased a number for the low price of \$1,316.00. That's about \$200 to \$700 below the going rate. Now we are praying that the phone company will connect the number within the next few months. No, we are not dealing with A.T. & T.

PRAYER REQUESTS

1. Pray for health, safety and protection over us and our facilities.
2. Pray for construction funds for the video studio and offices
(contributions were low last month and it makes it difficult to pay the workers and purchase materials).
3. Pray for the special person that God will send to teach our children.
4. Pray for qualified technicians with a missionary call and the super VHS equipment to facilitate the studio.
4. Pray that our first 20 hour course will be in operation in many Spanish speaking countries as soon as possible (this year).

Your gifts and support are building these offices and the video studio. It is a monument to your love and commitment to spreading the Gospel of our Lord Jesus Christ.

In His service,

Lee, Carol, Josh, Amy, Sarah
