Dear Friends and Co-laborers,

Who would have ever imagined this turn of events! I arrived in Pensacola, Florida, and unloaded the video equipment. I had not even set up the office, when I received a phone call. I was sitting on the floor surrounded by boxes. It was Kevin Godwin, one of our supporters from Birmingham, Alabama.

He began to share with me an amazing testimony of how he had got involved in video production and in a short period of time, he landed a major contract which has allowed him to purchase a transponder (a channel on a satellite).

Kevin offered to produce our training videos using our equipment. I made several trips to Birmingham and asked a lot of questions. One of our new board members from Houston, Texas, Bob Bledsoe, flew out and did the same.

We presented this to Bob Bishop, director of Globe, and pastor Buford Lipscomb of Liberty Church, Pensacola. They along with our other board members agreed that this is a tremendous blessing to the ministry.

We have high hopes that by the first of the year, we will be making broadcasts by satellite which will go into Mexico, Central America, and the top part of

South America. We never dreamed when we set out on this mission, that it would lead us to this. Pray for God's sure and complete leading as we continue our work. November 1-5, we will begin producing leadership training courses with John Arana, an associate of Nicki Cruz. Pray for the production process, that we can get the quality materials out to those who desperately need it.

### FAMILY UPDATE

Carol and the girls are still in Houston, waiting to sell the house. Pray that they will be able to move soon, and that the family can be together.

### PRAYER REQUESTS

1. Pray for students of our Video Bible course, that they would continue to grow in grace and knowledge.
2. Pray for God's continued leading.
3. Pray that our family can be together soon

We are grateful for your prayers and support.
