Lee Praying for people during outreach services

I purchased a microphone for their church last June, but since I was not traveling to their island, I left it in Havana, trusting that someday, someone would deliver it.

Then, it happened... They were having a typical worship service, when their old worn out microphone finally gave up the ghost. It died. At that exact moment, the person delivering the new microphone stepped through the door. The congregation went ballistic. Since

they have no money, and no music store from which to buy equipment, This to them was a miracle. They exploded into praise & worship to the Lord and spontaneously lifted our ministry up to the Lord with thanksgiving and prayers for us.

Lee & Marciel

I want to thank all of you who support this ministry for being a part of the "Microphone Miracle", and the souls saved on the Island of the Pines. As I talked with the dear couple at the conference, I was dying to know, *is Marciel continuing in the Faith?* He was the young man steeped in the African Black Magic. I confronted him and told him he was full of trickery, deceit and sin. He repented and prayed with me to receive Christ as his Lord and Savior.

*I was dying to know, is Marciel continuing in the faith?*

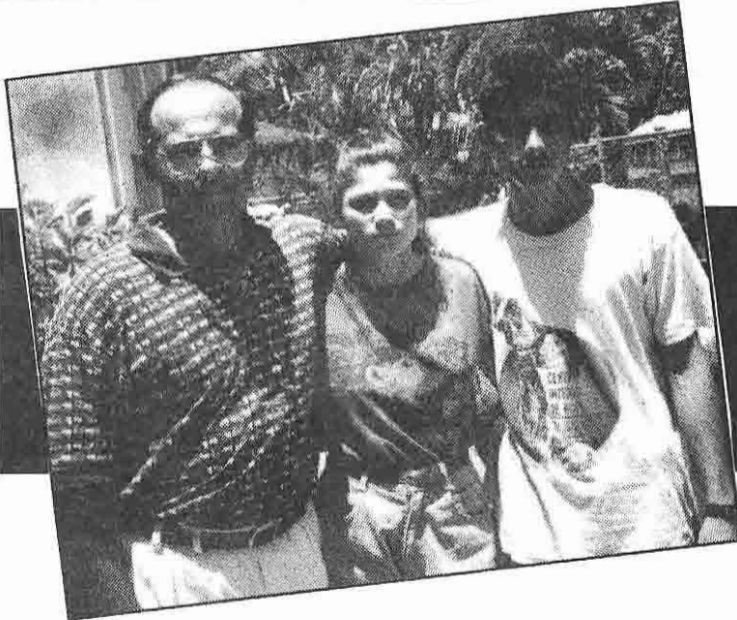

---

They responded YES!!!! He is a faithful member and a growing Christian. This news thrilled me to the bone. I know no greater joy than to hear of transformed lives by the power of God.

If you want to be a part of this end time harvest in Cuba & Beyond, support it with your prayers and offerings.

We love you and Bless you in Jesus' Name,
