Lima Peru: "Your video ministry was birthed in Heaven! These materials are very valuable to the growth of our church. We are praying for the expansion of Vida (Life) International into many other countries." This testimony from pastor Samuel Arboleda was like music to my ears. When I saw all the creative ways that they are using the video training materials, I knew that he was not just speaking words of flattery, but that it was a key factor in their development and discipleship process.

They use three of our video lessons on Salvation from the "Bible Doctrine" course to lead the new attenders into a personal relationship with Christ. In the words of the Pastor concerning this first phase, "In the confirmation process, the people have salvation explained to them in a crystal clear manner." Then, they prepare the new converts for water baptism by video instruction, and from there into the Baptism of the Holy Spirit by yet another video preparation class.

Lee ministering to the leadership of Rivers of Living Water Missionary Center.

Pastor Samuel Arboleda & his church leaders thanking you for blessing their church.

The videos are being used in their home Bible study groups to disciple the new believers and in leadership development classes. Pastor Samuel prepares sermons for Sunday morning services from the videos and duplicates them not only for his in-house use, but also to supply his two mission churches that he has just begun and other churches in the area. Rivers of Living Waters Missionary Center has grown from 75 members to 550 in just 2 years. We thank God for the tremendous leadership skills and anointing upon this pastor and for those of you who partner with this ministry by helping us to supply the training tools to aid churches like this one to reach the lost and make disciples. Together we touch the World!

In His Service,

More Prayers + More Support = More Disciples!
