“God always provides what I need!.” This was the testimony of Damaris when she received a scholarship of \$925 through LSMI so that she could pursue her dream to become a doctor. She wants to go into medicine and help children. She says they are the ones who suffer the most in hard times. Carol and I are grateful to the individuals who made this possible. We believe that Damaris will touch many lives who need to know that God loves and cares for them.

The mission at Magesterio has transitioned into a program to help the kids with their homework, before and after school. They still come before school to get their showers and dress and to catch a meal to carry them through the day. This year we were able to buy 65 complete uniforms, which consist of shirts, pants, blouses, and knee socks. We’ve also purchased school supplies and 10 special polo style shirts for the children that needed them for their uniforms. This mission children’s program will soon become the sole responsibility of the Mother church, First Baptist Church in Puerto Vallarta. This summer Senior Pastor Jorge Guzman approached me and asked if they could take this program over as their own. We are joyful that they have caught a vision for this ministry and have embraced it. This will enable us to create more new programs and reach even more children, feeding them Body, Soul, and Spirit!

The new program in Mezcales is starting out with the Saturday Bible Club. We have 20 children from that community now in regular attendance. They

love to come and hear about Jesus and His love for them, play games with one another and receive a meal afterwards. Once again we are reaching out to bring these children help and hope and a vision for the future. This outreach is helping this mission church to penetrate it's community by ministering to the children.

The Ministry Base is moving forward and Carol and I hope to be moving into the one room efficiency within a month's time. Continue to pray with us that we move in God's perfect timing.
