He wept, and wiping his tears he said; “No one has ever helped me like you have. God can use anyone, but He used you and your wife to be a great blessing and inspiration to all of us. We are so grateful for the many blessings you have brought into our lives. Your teaching, your financial help in the construction of our church, your counsel, and most of all thank you for your friendship”.

The church called “Centro Cristiano Fuente de Vida de Puerto Vallarta Jalisco”, met under a carport of the tiny rented house where Pastor Javier and Beti Rueda lived for 9 years, saving to buy a building lot. At the end of that time, they still fell considerably short. LSMI and our supporting churches and partners were there to help the struggling church by paying the remaining 12% due, allowing Pastor Javier to close the deal for the 23’ x 98’ building lot.

Your gifts continued to help all throughout the construction process. From Washington State, to Washington D.C., from Texas and Arkansas, to Maryland, you made this dream come true. It has been with great joy and deep satisfaction that we have played a small part, to be advocates for these noble servants of God. This month we were there to see the roof poured on their building. They are in the home stretch! It’s good to celebrate these victories together. Christ is moving His Kingdom forward.

PRAY WITH US:

Once again, as we are taking another leap in faith, TO MAKE DREAMS COME TRUE!

We are reaching out to feed 300 impoverished children on the border of Haiti in the Dominican Republic. Lord willing we will be constructing a 40'x60' pavilion this November, PTL!

We need your prayers and financial support to pour the slab under the 40' X 60' pavilion and construct a 16'x40' building to house bathrooms, storage, pantry and a huge kitchen to feed the 300 little ones.

We need this project showered in prayer from the shipping to passing thru customs, from construction to the day when we can begin; Feeding Children Body, Soul & Spirit!
