Where was Christ during the crisis? There is HOPE in the midst of heart ache and tragedy here at home in the U.S. especially in Houston, and for our neighbors we serve in Mexico and in the Caribbean. Homes have been destroyed through flooding, fires and earthquakes and yet God promises to be with us. We help those we can in Christ's name. We are His hands and feet and His shoulder to cry on. We help in any way we can and at the same time we must not neglect our primary callings and responsibilities. Double duty can be very stressful and a real challenge juggling in the midst of so many natural disasters. We have been participating in relief efforts and also at the same time trying to get some things back to normal. I have found strength during these trying times in Ps. 72: 14 which says: "I will hope continually and I will praise you YET more and more!

It was a great blessing to welcome our children to the Vida Children's Centers in Mezcales and in 'Cardboard Landia'. The children and their moms were beaming with love. One mom told me she "really missed this place" when we shut it down during the summer break. We are now "back in the swing of things" and the kids were so grateful to get their back packs and school supplies. You feel the love, and you feel God's presence in the midst of a troubled world. You feel HOPE and an ATTITUDE of GRATITUDE to God and toward all of you who make these Children's Centers possible. Together we are making a difference in children's lives and making an impact in the communities in which they live. Where was Christ during the crisis? He was shining in each one of us as we gave of ourselves and as we continue to give His HOPE so that others will praise Him!

Together we are Vida Internacional,
Together we Touch the World!
