The only flag in the world that mentions “God”, has an image of the Bible and quotes Scripture belongs to the Dominican Republic. This amazing fact was one of the things I shared with the teachers and administrators of 3 local schools in the community of Oviedo. They were invited to attend a special church service at our Vida facility exclusively held for their edification during which I challenged them with the word of God. In my message I shared about the history of their flag. The image of the Bible on the flag is open to John 8:32: “you shall know the truth and the truth shall set you free”.

I shared with them their founder’s hearts that their nation would be led by the guiding principles of the word of God. We asked them all to write on a balloon something in their life that they wanted God to change and then pop it. At the end of my teaching I personally prayed over each and every faculty member. As we were ending the meeting, the Principals all chimed in and requested regularly scheduled ongoing meetings. Vida Internacional will be providing the teachers with ongoing spiritual development and motivational training so that their schools will have a Godly influence and a spiritual environment in the formation of their students.

In the town of Pedernales on the border with Haiti a teacher by the name of Rosa, who also holds a Law degree is directing our new Vida Children’s Center. On average 70 kids meet outside of Rosa’s home, gathering under a tarp shading her patio. Rosa is God’s gift to the children of her community which is an extremely strategic border town. Pedernales is a great launch pad for developing ministry into Haiti. Please pray that we can purchase the \$9k building lot that will be greatly used by God to reach marginal children of these two needy nations, as we are reaching-out; Feeding them Body, Soul & Spirit! *(over)*
