Feeding On The Frontline

Catching up with members of my community in Mezcales, Nayarit.

I could not be more pleased with the way Vida Internacional's Pastors and leaders have been on the Frontline feeding and serving those most affected by the pandemic. I am so grateful for the generosity of our supporters who have stepped up to the plate and have made it possible for our grassroots movement to make an impact and be a light in the darkness of desperation due to the China virus that has rocked our world. I thank God that He has made us the head and not the tail to lead in times of great need. We have been faithfully feeding those in need in Mexico, Dominican Republic and Haiti where we LSMI & VIDA oversee Children's Centers and Churches.

The truth is God has multiplied the gifts from the faithful who have sown into this ministry and He has made it a blessing to many. I am grateful that our national leaders have used wisdom in being good stewards of our resources. Nayarit, Mexico was still 'Code Red' when I was there this month. I felt so blessed to serve in my community in their time of need. It touched me deeply to be with them, I had to hold back the tears. I know how they are struggling. I know my community and I also know our community in Cardboard Landia. I feel their pain. I was also abundantly blessed when I heard their joyful expressions of gratitude and I saw their eyes light up so happy to see me. I wish those of you that have sown through your prayers, past acts of service and financial gifts could have experienced the joy I felt to be there with them.

I was saddened to hear that our next-door neighbor to our Center in Cardboard Landia, Muñeco (Little Doll) passed away due to Coved-19. I will

Pork stew, beans, rice, tortilla and Homade Jamaica drink being distributed.

Muñeco, (Little Doll) died of Covid, He'll be missed

miss him. I don't know what the future holds but I know Who holds the future. I desire to be faithful, feeding on the front lines, serving the Lord with my boots on, ministering to his flock and having compassion for the poor until the day he calls me home. Thank you for helping to make this possible. We love and bless you all.

SAY A PRAYER:

1. Pray for our frontline worker's health and provision to feed and reach the poor for Christ.
2. Pray for Pastor Juan and the PV church body as they raise funds to purchase land for a building. We're half way there! We still need \$12,000.

God is on the move, moving through us and together we're touching the nations!

Juan & Carol
