Dear Friends,

What a joy to serve others who have a vision for the Kingdom. A young minister by the name of Ramon Juarez who works with us starting Video Bible Schools has launched out to start a church in his home here in Jocotepec. We have been going door to door witnessing, praying and leading many to Christ.

One mother, who could neither read nor write, when asked if she would like to receive Christ as her Lord and Savior and inherit eternal life, replied in a very innocent and sincere manner, "Of course I would, who wouldn't?". What a thrill to see here child-like faith and happiness. I thought of Jesus' command that the poor should have the Gospel preached to them.

The town people on the whole have been very responsive to our ministry from door to door, but our numbers on Sunday have been few. Most of the people who attend are people with whom I have built relationships over the years and have shared our faith. Regardless of the small number, the Lord's presence has been powerful.

A typical service is short but sweet with people arriving late. Some are so late that even during the pastor's prayer of dismissal, new faces are walking through the door. We sit together on church benches of rough hewn planks set on five gallon plastic buckets. During the ministry of the Word, new believers are holding Bibles in their hands for the first time with no earthly idea how to find the passages being taught. All of us, including my children help the new

babes find their way. The most beautiful thing of all is to see the tears of new converts as we sing about Calvary's love and the blood that Jesus shed. For me the most powerful manifestation of the Holy Spirit is when the room is filled with the sweet sense of conviction of sin because of the presence of a Holy and loving God. Pray for Pastor Ramon that a strong local church will be established here in Jocotepec. We are grateful to be able to assist him in his work.

#### A NEW LOCATION

By the time you receive this newsletter, our video studio should be up and operating but... the location has changed. Because of the problems with the Mexican government over our working visas and other things, we were forced to look for another location for the Video Studio. Liberty Theological Seminary and Deerbrook church in Houston, Texas are granting us free office and combined studio space. Our equipment has been installed in the studio there and we hope to be producing new courses as soon as possible.

#### PRAYER REQUESTS

1. Pray for the funds to produce a new believer/discipleship course.
2. Pray for the Lord to orchestrate the ministry team which will consist of workers and volunteers in Houston and the foreign field.
3. Pray for the funds to purchase a new vehicle
4. Pray for our protection and health.

We thank you and bless you in the name of our Lord Jesus.
