Belize – In the tiny town of San Pedro on the tiny Island of Ambergris Caye is a frail gentle man who has birthed a big vision. A God size dream captured the heart of Pastor Vidal Gonzalez. He shared the vision with other Christian leaders and even with members of his own congregation and there was very little encouragement and hardly any response. But God, Who brings to pass His own will, moved on the hearts of non- Christians to provide most of the necessary equipment, ingenuity and moral support.

You may be wondering, what is it that God laid on this man's heart to do? The answer is to reach his island with a Spanish Christian radio station. "Radio Emmanuel" 101.3 FM went on the air with a forty foot antenna standing back behind the Church building. The upstairs of this small church is the parsonage where a storage closet is now the broadcasting center. God placed on Pastor Vidal's heart not only to use our video Bible courses to make disciples in his local congregation but also to broadcast the audio portion of the VHS tape on the Radio. Isn't it amazing how God supplies?

I ministered on the radio and in the Church. We saw God draw the people out and minister to hurting hearts. One young man only 20 years old was struggling with suicide. He attempted to slit his wrists the night before we met. He was outside the church, perched on his bike watching from the shadows and I invited him in. He heard the Word and called on Jesus to heal his wounded spirit.
