Trujillo, Peru- surrounded by the adobe ruins of the pre-Inca Chu-Chu Indians, this costal desert town is nestled on the Pacific Ocean. I was asked by our South American Director of Vida Internacional, Pastor Herbert Jimenez to come back with him and see for myself what God is doing through the efforts of Pastor Cesar Chavarry former Campus Crusade missionary to Central America and a native of Trujillo, Peru. He has done an outstanding job pioneering new Bible Institutes in his hometown.

In two short years Pastor Chavarry has passionately opened up thirteen schools in thirteen different churches. He has professionally developed informational material for the purpose of promoting Vida, then organized a plan on how to utilize the curriculum. After that, he duplicated the videos and materials. These thirteen churches range from Baptist to Pentecostal, the majority being Non- Denominational. Pastor Cesar Chavarry is releasing the director of the Vida Bible Institute, Richard Pinado, from his church, "La Buena Semilla" (the Good Seed Church) to establish more Institutes in Trujillo and the surrounding mountain towns.

Pray for them that the word of God would have free course and that Vida Internacional would see an explosion of schools being birthed and the raising up an army of labors for this great end time harvest. We are producing new materials as funds become available.

We need your help! Each DVD course of ten lessons cost us \$1,000 to produce. We are operating on a shoe string budget and are being the best stewards of God's resources that we know how. Imagine the impact that is made every time a new course is produced. It is like equipping God's soldiers to advance his kingdom. Thank you for making a difference by your prayer and financial gifts.
