Jaquiline praising the Lord at the mission church.

Every week we take out the trash. We discard all kinds of stuff that we don't value; things that we don't want. Eventually, all that garbage ends up at the dump. Antonio, age 10, and Manuel, age 14, live at the dump. They don't even remember what their mother, father, or siblings look like. They were abandoned by their parents, and later taken in by their grandparents. Grandma and Grandpa died, and they were passed between relatives. Manuel and Antonio long to know their brothers and sisters. Manuel has never gone to school, and is unable to read or write. Antonio can only see shadows out of his right eye. He needs an operation to improve his chances of seeing.

Afraid and hiding in a closet at the church, Maria De Los Angeles is heavy with child. She was afraid that her common law husband, a drunkard, would beat her for being at church. I talked her out of the closet to find that her family lives on top of the dump in a house made out of trash. Her son, Eduardo is two, Jaqueline is five. One day some ladies from the church bathed Jaqueline and picked the gum and trash from her matted hair. They took off the rags she was wearing, and put on clean clothes. The ladies then took her home and asked her mother if this was her child. Three times Maria said she did not know her. This little girl does not live here.... Jaqueline shouted, MOMMY it's me!! Jaqueline now sings praises and worships her God... Who will never abandon her. Even if her mother and father forsake her.

These children need your help, they need sponsors, I have been feeding them once a month, and want to begin feeding them more

often. Please sponsor a child. This act of love shows them someone cares.

Carol and I appreciate those of you who have emailed us asking to be one of our "Charter Sponsors". I am collecting their photos and info so I can give you an information sheet when you sponsor them. There are approximately 120 children that need a sponsor. For less than a dollar a day, \$25 a month, you can sponsor a little one. Be a "Charter Sponsor" and sponsor one of the first 120 children. Fill out the enclosed form and drop it in the envelope, or email us today. You can also send a one time gift to support this ministry. We will be purchasing a data base program to keep track of our children and enable us to keep you current on their status. We also continue to have expenses from our transition to Mexico. As always, we couldn't do it without you. Thank you for your prayers and support.
