It's exciting to break new ground and build, both in the Spiritual and in the physical. We have stepped out in faith knowing that God has spoken to us to establish a ministry base and expand the ministry. We have a sense of urgency to move forward trusting God to provide for the work He desires for us to do. Everything God does is through relationships; relationships with our ministry partners in the States and relationships with our Mexican ministry partners on the field.

God is building bonds so that ministry will flow. These last few months, we have been doing outreaches in partnership with Pastor Jose Renteria and one of the churches he has founded in the area. Pastor Jose is a church planter with a missionary heart to start new works and raise up leaders to pastor the churches that he starts.

recently spoke at the Iglesia Pregoneros de Jesucristo (The proclaimers of Jesus Christ Church). It was a heart warming experience to hear Pastor Jose's response as he addressed his congregation after the message. He said God spoke to his heart to help Lee (me) build even though he had a very busy schedule..."Working together allowed me to get to know Lee's heart." He believes that God brought us together. Renteria said he sees the success of the LSMI programs at the city dump and he desires to see children's lives impacted and God's kingdom expanded in the same way. Carol and I were moved by his sincerity and passion. We are working hard in the physical on the Ministry Base. One room, a bathroom, and a patio

which will function as a provisional kitchen, should be ready within the month for occupancy. We look forward to getting moved in to that so that we can help more Pastors to reach more people. We are also looking forward to completing both the first and second floors so that we can have a safe clean base from which our partner churches can come down and work on short term trips. A key part of the vision God has given us is this base from which ministry will flow into the surrounding area. Ask God what you can do to help to bring this vision into fruition.

Together we are Life Savers,

Lee & Carol

Prayer Needs:

1. For the expansion of the ministry. Feeding children body, soul and spirit! and Making disciples throughout the Spanish speaking world!
2. For The funds to finish off the first phase of ministry base. We need another \$26,300. to complete the first floor, and an additional \$50,000. to complete the second floor.
3. Favor with local officials as we continue in the process to get the electricity run to our area, and water and sewer. Pray for open doors and open hearts.
