Registration day for the program at the ministry base...

A thief knocked on my neighbor's door... He lied to the poor widow, saying, "I'm working for the 'Gringo' (referring to me). He went on to say, "The Gringo wants to borrow your wheelbarrow." Like a good neighbor, Maria lent it to him. He trotted off in the direction of the ministry base. Five minutes later I looked out and saw four neighbor ladies in front of our ministry base, staring down the road looking very perplexed. I asked them, "What's going on?", and they told me their story.

I called out to one of my workers, "Miguel jump in the van! A thief has stolen my neighbor's wheelbarrow!". We took off down the muddy road into the field of tall weeds. I prayed, "Oh Lord help us to recover the wheelbarrow and let this be a sign to bring you glory." We searched nearby construction sites looking for a yellow wheelbarrow and a fellow who matched the thief's description, but we returned without success.

As I drove up, I could see the ladies laughing They called out "Gracias!!". I asked, for what? They replied, "The thief was hiding in the tall grass. He got scared because you were hunting for him. After you passed out of sight the thief (in a panic) returned the wheelbarrow. He thanked me for lending it to him. He then quickly ran off! I told my neighbors "Don't thank me, thank God! I prayed for the Lord's help and He is the one to receive your thanks, not me."

Everything that happens, (even a bad thing) is an opportunity to show how

big and how great our God is. We can tell our neighbors that He cares for all of us, and knows about our everyday needs. Thank you for making it possible for us to do that. Together we make a difference.
