Excitement and Joy filled the air on our first day back at our Children's Center in Mezcales! There were many spontaneous outbursts of affection as the little ones expressed their happiness upon returning. I believe that a better Mexico and a better World begin by sowing Christian values and love in the tender hearts of children. For this reason, Carol and I have now dedicated over ten years of our missionary efforts into the fertile soil of children's lives. We are working together with you back home who provide the essentials of prayer and provision, along with our foreign nationals, expats and the short term mission teams who volunteer their service. We are all working together as one big team effort. In the Dominican Republic our VIDA TEAM has begun the fall Children's Program which also includes classes in English, Mathematics, and physical education. They are also collecting clothes, shoes and hygiene supplies and carrying them into Haiti to our mission there.

Our VIDA INTERNACIONAL Children's ministry efforts have literally ministered to thousands of LITTLE LIVES through various types of Outreaches in Mexico, the Dominican Republic and now Haiti. THERE is so much to do and so little time to do it in. Jesus said work while it is still day because the night comes when no one can work! We are among the privileged that are cooperating for the advancement of Christ's Kingdom and HE promises us that our labor is not in vain and that when He returns He will reward us; that His reward is in His hand. He also tells us that eye has not seen nor ear heard all the wonderful blessings that are in store for those who love Him and are busy about His business until HE comes. We are sold out to this end, trusting in HIS PROMISES and HIS PRESENCE to keep us until that GREAT DAY!
