“ARE YOU MISSING OUT”? Just asking...

Everyone wants their life to make a difference. Many Christians are looking for a missionary adventure where their church can make an impact. We just wrapped up a 10 day missionary extravaganza with a 20 member mission’s team from Lighthouse Christian Center in Puyallup, Washington State. They are now planning on bringing a missions team to come and work with us each year for at least the next 10 years in the Dominican Republic and Haiti! My friend Joel Kellner texted me this message, “Hello Lee and Carol, I have heard nothing but good things from the Lighthouse team since their return. Makayla watched our kids on Saturday and said she liked all the attention and behind the scenes work Lee did to coordinate activities and keep them safe.” Pastor Jared Litke said, “Lee is the real deal” his highlight was spending time with you, Praise God for your ministries!” Mission’s Pastor Paul Moffett emailed Carol ...our extreme gratitude to you and Lee is given for your amazing job in planning, coordinating and partnering with our team to make this mission such a success! We love you both... We also are looking forward to many years of growing together in Jesus and His Kingdom work.

“Today was the best day of my entire life” I heard this from one sincere teenager throughout the entire trip. We worked hard serving hundreds of children in three different locations and most evenings we unwound taking a dip in the soothing emerald waters of the Caribbean. We are building churches and community centers, working with children in the safest and most beautiful part of the island. Pastor Moffett has taken groups all around the world and said that our Hotel in Pedernales was the nicest and cleanest hotel he has ever stayed in on a mission’s trip.

**Are You....
Missing Out?**

The group also enjoyed ministering to children in two extremely different cultures both in Spanish and crossing the border into Haitian Creole. The part that I am personally pumped up about is hosting mission's groups that are changing children's lives by helping us help them. We need church groups to help us build children's centers on both sides of the border. Together we can and by God's grace we will build these Children's centers!!! Don't miss out on the Great Adventure!

Together We Touch the World!

Together we are Vida Internacional.
